## Organization

### Profile

Women In International Trade–Orange County (WITOC) is a California non-profit organization founded in 1985 as **Women In World Trade**. An active force in the international trade community, WITOC works to expand business skills and public awareness of international trade issues.

WIT-Orange County is an affiliate chapter of the Organization of Women in International Trade (OWIT), with member chapters in cities worldwide.

### Membership

WITOC members are professional men and women whose careers encompass all aspects of international trade including import, export, manufacturing, sales, marketing, finance, law, customs brokerage, logistics, transportation, government, and consulting.

### Organization Goals

- Inform the Southern California trade community of current international trade issues.
- Enhance business skills through workshops, seminars, and user groups.
- Provide leadership development.
- Establish and expand international business contacts.
- Participate in activities which advance international awareness.
- Annual scholarship presentation.
- Annual charity event.
